

DIESEL CLEANING SOLUTIONS

Diesel Particulate Filter Cleaning Kit

	IMC Part#
Wand & 5 Interchangeable tips	7945
Pressurized Spray Gun	7946
DPF Cleaner (1L) min. of 6 per order	5169
DP Purge (500 ml) min. of 6 per order	5171

The DPF can be cleaned while it's on the vehicle. The service takes approx. 1 hour. This service can be done at your repair facility instead of losing this business to the dealer. The service fee typically ranges from approx. \$350-\$500, and can be added to your menu of services.

For a video demonstration of the DPF Cleaning Kit, go to:
